APRIL 2011

discipleship worship membership stewardship friendship

This is our largest fundraiser of the year, and if all goes well this year, our only fundraiser! That's right, if we can reach our goal with this one event, we will not hassle anyone else about monetary support! So, we are asking everyone in the congregation to buy a ticket and attend the event if you are able, or go to the event website and submit an early bid if you are unable to attend. Also, we're asking everyone to help us spread the word and invite friends and relatives to buy tickets as well!

But, as those who attended last year's event will tell you, this evening is about so much more than the money we hope to raise. This is quickly becoming one of the most enjoyable events on the BPC calendar. It includes great food prepared by Bill Lemon and his crew, side splitting entertainment and top notch dinner service provided by the youth group, and some top of the line items donated by local and national companies and individuals to be bid upon in the auction.

We hope everyone is able to enjoy this exciting upon the Bethlehem Cruiseline! To find out more, visit the event webpage:
