what is your ministry?

Have you ever thought of yourself as a *minister*? I'm not talking about a preacher or a pastor who leads a worship service on Sunday mornings. I'm not talking about people with a degree in theology. A guy named St. Francis once said,

"Preach the gospel at all times, if necessary, use words."

Francis was encouraging those around him, and even us today, to use the way we live to point others to the love of God in Jesus Christ. We all have been given unique gifts by God that can be used to *minister* to other people.

Do you see a need in our church, in our youth group, in worship or Sunday School? What is your ministry inside our church? Do you see a need in your neighborhood, your school, our nation or our world? What is your ministry outside the walls of the church? You are a minister. Ask God to help you discern: what is your ministry?

byg online

Our Youth Ministry is going to make a strong effort to reduce the amount of paper we use for flyers and sign-ups, so more and more of our information will be passed along online. We don't want anyone to be left out, so if you are more comfortable receiving hard copies of all flyers and forms, please let Andy know and arrangements can be made.

If you're interested in helping behind the scenes, planning, and hands on during events for the kids program at Bethlehem, sign up for the **Kidz Jam Work Crew**. Kidz Jam meets once a month and is for children K-5th grades. This is a fun way to earn community service hours and impact kids lives at the same time. Look for the work crew link on the youth site.
